

# ***Back To You (Confession)***

*Words and Music by Jonathan Snow Carpenter*

## **VERSE 1**

**Gm7 F Eb2**

I'm the biggest hypocrite

**Bb F/A**

I'm the king of epithets

**Gm7 F Eb2**

I'm the leader of this hatred squad

**Gm7 F Eb2**

I'm the liar and the thief

**Bb F/A**

Repeat-offender to the nth degree

**Gm7 F Eb2**

I'm the one that's heading up this fraud

## **PRECHORUS 1**

**Cm7**

You seem so far away

**Eb2**

So far away

## **VERSE 2**

I'm the wolf in woolen clothes

Masquerading love in prose

While I'm commander of this death brigade

I've been trained to strike a pose

Must go on... put on a show

In the hopes that I will make the grade

## **PRECHORUS 2**

And all this time You've been waiting for me

All this time

### **CHORUS 1**

**Bb**

I know You haven't moved

**F/A**

So, God, move me back to You

**Cm7**

'cause I'm so far away

**Eb2**

So far away

**Bb**

I know You haven't moved

**F/A**

So, God, move me back to You

**Cm7 Eb2**

'Cause You love me anyway... anyway

### **VERSE 3**

I'm the one that was out of place

The prime example of Your grace

True forgiveness on display

True forgiveness on display

### **PRECHORUS 3**

And all this time I've been running from You

All this time

And oh... this time I'll go running to You

Oh... this time

### **CHORUS 2**

I know You haven't moved

So, God, move me back to You

'cause I need Your grace

Your warm embrace

I know You haven't moved

So, God, move me back to You

You love me anyway... I'm so amazed

Anyway... I'm amazed

By You
