

Come Inside

Words and Music by Jonathan Snow Carpenter

(Verses in open fifths)

G **Bm** **D** **A/C#**
If you're not who you long to be, come inside and have a seat...
G **Bm** **D** **A/C#**
If you're a sinner just like me, join the crowd and we'll proceed...
G **Bm** **D** **A/C#**
We're gathered here once again and in spite of all our sins
G **Bm** **D** **A/C#** ~
We lift our praises to our King... who died and rose again!

G **Bm** **D** **A/C#** **G**
Come inside... come and taste a brand new life
 Bm **D** **A/C#** **G**
Come inside... there is shelter from the lies
 Bm **D** **A/C#** **G** **G/F#** **Em7**
Come alive... to the freedom God supplies
 G **G/F#** **Em7** **G** **G/F#** **Em7**
Come on and lift your eyes... come on and lift your eyes...

If you're in way over your head, feeling beaten, left for dead...
If you're a million miles away, think you haven't got a prayer...
There's forgiveness, there is grace, there is mercy in this place
We lift our voices to our King... hear the songs of the redeemed!

CHORUS

Bm7 **D/F#** **Em7**
All the hypocrites are welcome here
 Bm7 **D/F#** **Em7**
All the ne'er-do-wells are welcome here
 Bm7 **D/F#** **Em7** **G**
All the struggling faithful are welcome here
 Bm7 **D/F#** **Em7** **G**
All God's new creations are welcome here...

CHORUS

(Final Line)

G **G/F#** **Em7** **G** **G/F#** **Em7** **D**
Come on and lift your eyes... come on and lift your eyes...
