

It's No Wonder

Words and Music by Jonathan Snow Carpenter and Kaleb Fulton

VERSE 1

G **Bm7** **C**
Woke up this morning with a smile on my face
G **D** **G**
As I felt all my fears slowly fade
Bm7 **C**
Leaving my sorrows and I'm leaving my pain
G **D** **Em7**
No more hiding like I was afraid
Bm7 **C** **G** **D** **Em7**
I'm not going through a phase... these changes are long overdue
Bm7 **C** **G** **D**
'cause there's a debt I can't repay... so I'm singing this song to You

CHORUS

G **C** **Em7** **D**
It's no wonder I can praise
G **C** **Em7** **D**
You have taken all my shame
Em7 **Bmaj7** **A7** **C** **D**
I will never be the same
G **C** **D** **G**
It's no wonder I can praise
(2nd time to Bridge)

VERSE 2

My heart is soaring and I'm feeling so free
As my worry begins to subside
Can't wait for tomorrow... nothing's bothering me
No more guilt hanging over my life
I'm overwhelmed and so amazed when my sins start to come into view
So there's a debt I can't repay... 'cause Your grace has made me new

CHORUS

BRIDGE

C **G/B** **Am7** **D** (x3)
Am7 **D**
