

# ***Louder***

*Words and Music by Jonathan Snow Carpenter and Brian Mears*

**G Am7 G/B C2**  
If even the rocks cry out, the sun and the stars all shout,  
**Em7 D C2**  
If even the mountains and oceans roar  
**G Am7 G/B C2**  
If all of creation brings praises to You and they sing,  
**Em7 D/F# C2**  
Shouldn't we proclaim Your greatness so much more?

**G Am7 G/B C2**  
I wanna sing louder, sing louder, sing louder to You, my King;  
**Em7 D/F# G (Am7 first time) C2**  
Sing louder, sing louder, sing louder than anything.

**(Repeat verse and chorus)**

**Am7 Em9 G D**  
I'll join the song they've been singing all along  
**Am7 Em9 G D**  
Praise to the One who was and is to come  
**Am7 Em9 G D**  
Angels and stars sang as You laid the cornerstone  
**Am7 - C2 -**  
And heaven and earth were born

**G Em7 C2 Am7**  
I wanna sing louder, sing louder, sing louder to You, my King;  
**Em7 D/F# G C2**  
Sing louder, sing louder, sing louder, yeah.

**G Am7 G/B C2**  
I wanna sing louder, sing louder, sing louder to You, my King;  
**Em7 D/F# G C2**  
Sing louder, sing louder, sing louder than anything.
