

## ***My Name Is Martha***

***Words and Music by Jonathan Snow Carpenter***

I was too busy serving God to even notice when my Lord reached out His hand.  
I was too bitter toward the ones who seemed to have it all so I turned away from God.

### **CHORUS**

Now my name is Martha  
My name is Saul and my name means nothing when I'm far from God  
My name is Peter  
My name is Mark, but my name's still written on my Savior's heart.

I still can't believe that He was right and that I'd three times deny  
I'm the one who crucified... my Savior  
I still can't believe I've done it again...  
I deserted all my friends and I'm sure they won't understand

### **CHORUS**

And if I should fall back down, when I fall back down,  
When I fall back down, You'll pick me up again.  
And when I fall back down, when I fall back down,  
When I fall back down, I know that You'll catch me.

Now my name's Mary.  
Now my name's Paul.  
My name's still Peter in spite of it all  
'cause He is a Lion and He is a Lamb  
He is the one and only great "I AM."

His name is Jesus He is my Light  
He is the Way, the Truth, the Life  
His name means mercy  
His name means grace  
One glimpse of His goodness  
One glance at His face

So, my name may be Martha,  
but His name is God  
and He wrote my name upon my Savior's heart
